

MERIDIAN FREIGHT

Carrier Service Agreement

Agreement No. MF-SA-2026-018 | Effective 2026-08-14

1. Scope of Services

The Carrier agrees to provide road freight transportation services for palletized goods between the Shipper's distribution centers and the destination ports listed in Annex A. Services include loading supervision, sealed transport, and proof-of-delivery documentation.

2. Service Levels

Standard transit time is 48 hours for domestic lanes and 96 hours for cross-border lanes. The Carrier shall maintain a monthly on-time delivery rate of no less than 96 percent, measured against the booking confirmation schedule.

3. Liability and Insurance

The Carrier shall maintain cargo insurance covering the full commercial value of goods in transit. Liability for loss or damage is governed by the CMR Convention unless otherwise agreed in writing.

4. Invoicing

Invoices are issued monthly as structured e-invoices and are payable within 30 days. Disputed line items must be raised within 10 business days of the invoice date.
